

Meet Your Candidate

My name is Christine Leguilloux, and I am honoured to be running for Director of the Central Okanagan East electoral area.

For more than 30 years, the Okanagan has been my home, and for the past 24 years, Joe Rich has been where my family and I have put down our roots. My husband and I moved here in 2002, and our three children were born and raised in this community. Joe Rich is more than just a place where I live; it is where my family has grown, where we have built friendships, and where I have come to appreciate the importance of neighbours looking out for one another.

For the past six years, I have had the privilege of serving as a Director and Vice-President of the Joe Rich Society. This experience has allowed me to meet so many wonderful community members, listen to their concerns, and work alongside others to support the place we call home. I believe strongly in the value of community involvement and the difference we can make when we work together.

My professional background includes more than 35 years in the hospitality industry, primarily in food and beverage. From managing a bagel shop to leading multiple locations at a ski resort and overseeing 25 franchise locations as a Regional Business Manager, I have learned how to lead people, manage challenges, and find practical solutions. I currently work in sales for two fabric companies in the Interior of BC.

Throughout my career and community involvement, I have tried to lead with honesty, integrity, and respect. I am comfortable having difficult conversations, but I also believe that listening and finding common ground are essential to moving forward.

As a candidate, my priorities are the safety and well-being of our communities, including highway safety, and protecting the water and natural environments that make Central Okanagan East so special. I am particularly concerned about protecting Mission Creek and our sensitive watersheds. These issues matter to our families, our neighbors, and future generations.

When I am not working or volunteering, you will often find me hiking, sewing, gardening, or enjoying a good book.

I would be honoured to serve the residents of Central Okanagan East. I look forward to listening to your concerns, representing your interests, and working together to protect and strengthen the communities we call home. I would be grateful for your vote on October 17th, 2026 for the Electoral Area East in the Regional District of Central Okanagan.

Christine LeGuilloux
